Don't Worry? Nature Has a Remedy!

It's no secret that the American health care system is struggling. Many people are losing their jobs and their health insurance benefits. Many self-employed people can't afford health insurance. Others can't qualify for health insurance because of pre-existing health problems. All this, coupled with the ever rising costs of modern medicine is making it difficult for many people to afford modern medicine.

The good news is that modern medicine isn't the only way to resolve people's health problems. For thousands of years, people all over the world have relied on Nature's pharmacy, the herbs, to ease their pains and sufferings and find answers to their health problems.

Learn how a few simple herbal remedies can help you solve numerous health problems at this month's Healthy Habits class on **Saturday, May 9th at 9:00 a.m.** Cost: \$15/person. Bring a friend and save \$10 (\$10/ea). Class includes: one-hour class with handouts. Register early as space is limited, email enchantedherbpantry@yahoo.com or call (575) 745-1673.
